

## **Autobiography of S.M. Shafiuzzaman**

Assistant Professor, Institute of Environmental Science (IES)  
University of Rajshahi, Rajshahi-6205  
Bangladesh

### **Personal details:**

Name: S.M. Shafiuzzaman  
Father's name: Md. Abdul Mozid sardar  
Mothers name: Rokeya Khatun  
Present Address: House no. W 55H, Rajshahi University campus  
Rajshahi-6205, Bangladesh  
Permanent Address: Village- Gadokhali, Post- kalaroa, P.S.- Kalaroa,  
District- Satkhira, Bangladesh.  
Date of Birth: 22 May 1975  
Place of Birth: Satkhira, Bangladesh.  
Nationality: Bangladeshi (By birth).

**Educational Qualifications:** B.Sc. (Honors) and M. Sc. in Geology and Mining,  
University of Rajshahi, Bangladesh

**Special field:** Water Quality

### **Working experience:**

Presently pursuing as an Assistant Professor in the Institute of Environmental Science (from 2004 to 2007 as lecturer and from 2007 to continue as Assistant Professor), University of Rajshahi, Bangladesh.

### **Teaches:**

**Geo-environment:** Atmosphere - Origin, structure, composition, solar radiation, Global warming etc; Lithosphere,-Plate Tectonics, Earth structure, composition, Rock, Mineral, Sediment, Soil; Hydrogeology; Biogenic deposits; Natural hazards including Earthquake, Landslides, Volcanoes, flood, River erosion, cyclone and tornadoes etc. and their extent of damage, prediction, control and management.

**Waste management:** Solid waste and hazardous waste, especially, types, Identification and characteristics of wastes, Composition of wastes, processing and treatment, Management systems etc.

### **Research Experience:**

1. Mostafa, G.M. and Shafiuzzaman, S.M. (2009) "Potential use of Monsoon Rainwater for Drinking Purpose in Bangladesh", IWA online journal, India, Internet website: <http://www.iwaponline.com/wpt/003/03/default.htm>.
2. Shafiuzzaman, S.M.(2009) Ground water quality and its environmental impact in Rajshahi city Corporation area." Water sample has been analyzed in standard methods and by using Atomic Absorption Spectrophotometer, Simadzu AA-6800 in central Laboratory and IES of Rajshahi University. (In preparation)
3. Shafiuzzaman, S.M. (2008), Extent and severity of Arsenic and salinity contamination in Groundwater and its Environmental Impact in Shyamnagar Thana of Satkhira District, Bangladesh. (In preparation)
