Editorial Note

It is the immense pleasure for me to write an editorial note on the 21st volume of Social Science Journal of Faculty of Social Science, University of Rajshahi. The present volume includes 12 research articles covering a wide range of social science aspects. The contributions are mostly produced by young researchers of the different disciplines of Faculty of Social Science. I congratulate the contributors for their thought provoking academic exercises. It is expected that their contributions would be encouraging for themselves to engage in further researches and stimulating other researchers and students in respective field of interest.

Following the practice, a panel of highly reputed social scientists of different universities of Bangladesh undertook the very important and painstaking job of evaluating the academic merits of the articles published in the present volume. The valuable comments and suggestions provided by the reviewers certainly enrich the academic heights of the articles as well as the journal. The editorial board is thus rightly grateful to all those respected colleagues.

Each and every member of the Editorial Board contributed to the publication of this volume of the journal in many ways. Professor M. Zulfiquar Ali Islam, Chairman, Department of Sociology and Dr. Prodip Kumar Pandey, Chairman, Department of Mass Communication and Journalism deserve special appreciation for their additional endeavors of inquiry, editing, and publication.

Mr. Mofazzal Hossain, Deputy Registrar of the Faculty of Social Science worked hard in this regards. Besides, Mr. Masud Reza Khan, Mr. Abul Kalam Azad, Mr. Abdul Matin and other staff members of the faculty office assisted in doing the secretarial and printing related tasks.

I express my heartfelt thanks to them for their exhausting work.
