INTRODUCTION

The Department of Tourism and Hospitality Management (THM) at Rajshahi University offers an affordable Evening MBA program for students and professionals aiming for global excellence in tourism and hospitality education. We build strong industry-student relationships through collaboration and effective teaching, learning, and research. Our goal is to balance theoretical and practical expertise, aligning with job market demands to enhance the tourism industry in Bangladesh both regionally and globally.

The tourism industry is one of the largest and most diverse globally, contributing 10% of global GDP and employing 1 in 10 people worldwide. In Bangladesh, there are currently about 0.5 million jobs in this sector, expected to grow to 3 million by 2030 to meet the Sustainable Development Goals (SDG) set by the government. Despite its potential, there is a significant skills gap between industry demands and educational supply. To address this, our department offers a 1-year Evening MBA program to help bridge this gap.
