Call for Papers

Research articles are hereby invited from Teachers, Researchers and Scholars in the related field of Biological Sciences for consideration to be published in the forthcoming issue(s) **June 2022, Vol. 30(2)** of Journal of Bio-Science (J Bio-Sci.).

Manuscripts should be original in nature, have not been published or accepted, nor under consideration for publication in any other journals. All submissions are subjected to plagiarism check, peer review and editing (if required). Details on manuscript format and style (Author instruction) can be seen in the guidelines of **BanglaJOL website** (<http://www.banglajol.info/index.php/JBS/index>). The guidelines can also be found in the previous issues of the journal.

Last date for submission for **June 2022, Vol. 30 (2) issue is 30 March 2023 that will be uploaded to BanglaJOL website by April 2023**. Papers can also be submitted after that date for further issues.

The research article should be submitted as attached file in **MS Word (2010-onwards)** through e-mail to **Executive Editor (jbio@ru.ac.bd) with cc. to the Chief Editor (director_ibsc@ru.ac.bd)**. In case of direct submission or submission by post the article should be submitted in single hard copy along with a soft copy in a CD.

Professor Dr. Jahan Ara Khanam

Editor-in-Chief

Journal of Bio-Science (J Bio-Sci.)
