

**1st International Conference**  
**on**  
**Geosciences for Achieving Sustainable Development Goals (ICGSDG)**  
**14-15 November, 2025**

The Conference on Geosciences for achieving sustainable development goals brings together researchers, decision makers and professionals to explore innovative solution for resources development and environmental challenges. It focuses on how important geosciences are to managing natural resources, combating climate change, fostering resilience in ecosystems and advancing sustainability. The aims of the ICGSDG are to target scientific ideas focusing on understanding, monitoring, protecting, managing and restoring the natural environment.

**Important Dates:**

Conference Date : 14-15 November, 2025

Abstract Submission Opens : 1 May, 2025

Deadline for Abstract Submission : 30 July, 2025

Abstract Acceptance Notification : 15 September, 2025

Registration Start : 15 October, 2025

**Scientific Themes :**

- Sedimentology and Petroleum Geology/Geophysics
- Climate Change Issues
- Earth Processes, Geohazards and Environmental Geology
- Water Resource Management
- Georesource exploration & development
- Geospatial technologies for early warning and response
- Urbanization, infrastructure, transportation and environmental health
- Ecosystem services, biodiversity, geoheritage, geoparks and conservation
- Agriculture, food security and land use
- Environmental governance and equity
- Sustainable energy, mineral resources and Blue Economy
- Petrology and Mineralogy

**Paper Submitted to :** [icgsdg2025@ru.ac.bd](mailto:icgsdg2025@ru.ac.bd)

**Organizing Secretary:**

Dr. Md. Mizanoor Rahman  
Professor  
Department of Geography and Environmental  
Studies  
University of Rajshahi  
email : [mizangeo@ru.ac.bd](mailto:mizangeo@ru.ac.bd)  
Cell: +8801712 166325

**Convenor:**

Professor Dr. A.H.M. Selim Reza  
Dean ,Faculty of Geosciences  
and  
Professor  
Department of Geology and Mining  
University of Rajshahi  
Rajshahi-6205, Bangladesh  
Cell: +8801749 025797
